Initial Risks:

1. Car Breaks Down
2. Get into car accident
3. Someone gets sick
4. Two people eat too much fast food then we will get sick
5. Weather is bad
6. Someone gets too drunk and spends all their money
7. High crime rates in Miami and orlando
8. We get sunburnt

Final List of risks:

9. If the weather is bad the whole trip, then we cant go to the theme parks or beach
10. If we wreck the car, then we will loose money for the trip
11. If we get into a car accident then our trip will be delayed because we could be injured and without a vehicle
12. If someone drinks too much alcohol and spends too much money, then they won't have any left for the rest of the trip
13. If someone spends too much money on expensive food in miami, then they won't have enough money for the rest of the trip
14. If something bad happens to us in a crime sense, it could lead to serious consequences
15. If we spend too much time of the beach, we can get sunburnt and dehydrated

We agreed upon 1,000 for the emergency fund.
